Thanks Elizabeth. I'll send you and others the call-in details as soon as they are provided to me. Attached are some of the questions I may ask the LSS/Schnitzer consultant.

Hi All. Who besides Davis and Sean (EPA) and Matt, Tom and me (DEQ) would like to attend the teleconference with the Arkema/Schitzer consultants at noon on Thursday Sept 10? My goal is to give them a broad audience so they only need to present their story once. I'll send an Outlook invite Tuesday after I've heard from you and have a teleconference number.

Sean. I can't get the Integral site to open. However, the attached email from one of the group's consultants provides a functioning ftp site.

Sean-

The following Sharefile link provides the letter and a second PDF (125 MB) with all the enclosures in one bookmarked PDF. Please feel free to distribute this link to whomever needs it in advance of your meeting. I apologize for the delay in getting this to you. I just received the last of the letter enclosures today. Let me know if you have any questions.
